Pope's Intentions for
August 2024

During this month, Pope Francis invites people of good will to come together and pray:

That political leaders be at the service of their own people, working for integral human development and the common good, taking care of those who have lost their jobs and giving priority to the poor.

Let us pray:

Lord, I pray that more generous young people would consider going into politics in a selfless way, as a means of serving others and of working to make society better.
