

Pope's Prayer Network

Pope's Intentions for
April 2025

During this month, Pope Francis invites people of good will to come together and pray:

That the use of new technologies will not replace human relationships, will respect the dignity of the person, and will help us face the crises of our time.

Let us pray:

Dear Lord, guide people of goodwill to work together so that the world will embrace the opportunities and confront the challenges that the digital revolution presents, so that through technology, we may work for a more supportive, just, and peaceful world.
