Online Christian Courses by George Calleja

As a Christian Content Creator, I also offer four faith-based online courses on Udemy designed to deepen spiritual growth and help individuals live out their Christian faith in everyday life. These courses explore themes such as understanding and living the Beatitudes, healing from spiritual wounds, knowing more about Mary’s silence and understanding more what happened on the road to Emmaus.

Each course is structured to guide learners at their own pace, encouraging them to integrate faith into daily living while gaining a deeper awareness of God’s love, purpose, and presence. Through my experience as a Christian author and evangelist, the courses aim to inspire hope, inner healing, and a more meaningful spiritual journey.
